EXPERIENCE HIGHLIGHTS

- **Food Policy Fellow at Food Directions LLC, Government Relations Firm (Present)**
 - Attend and take notes at Hill briefings, hearings, and receptions for clients; write backgrounders and questions for House and Senate hearings from clients; write weekly newsletter on food, nutrition, food safety, and agriculture to keep clients up-to-date on legislative and federal policy; and edit comments on proposed federal regulations.
- **Increased student attendance at Consumer Federation of America's National Food Policy Conference**
 - Compiled outreach list of over 1500 possible participating organizations, created outreach list and materials specifically for students to increase student attendance, and participated in the conference as a room monitor.
- **Designed DGA 2015 Infographic for the DGAC Report release on 2/19/15 while interning at IFIC**
 - As of 4/13/15, the infographic had a total reach of 1.36 million, over 2,000+ reads, 6% engagement on Facebook, and was the 3rd most viewed IFIC infographic in the past 10 months. <http://www.foodinsight.org/2015-DGA-infographic>
- **Represented Virginia Academy of Nutrition and Dietetics at Annual Legislative Day**
 - Discussed current nutrition legislation with state congressmen and VAND's position on them.
- **Represented N. Chapman Associates at government, coalition, and client meetings**
 - Wrote internal memos and summaries for a variety of client meetings, assisted with various projects to help businesses respond effectively to consumer concerns about health and food safety.
- **Institutional Development Award Network for Biomedical Research Excellence Public Health Research Internship**
 - Designed, implemented, and analyzed food security survey of 380 Montana State University students. Was selected to present research at the National IDEA Symposium of Biomedical Research Excellence.
- **Master of Ceremonies for sexual health promotion event for the Montana State University Health Promotion Office**
 - Was the Master of Ceremonies for an annual event, attended by 1,200 MSU students and community members, promoting sexual health on and off campus.
- **Worked with the Montana Academy of Nutrition and Dietetics to update their name, logo, and policy manual**
 - Surveyed Board of Directors and members about updating the name of the association to align with the Academy and created a logo to reflect the members wishes. Worked closely with the president and board members to update and edit the Policy Manual and Bylaws of the organization.
